LEX is a 26-meter luxury superyacht available for charter in the Balearic Islands. Designed by the prestigious Italian shipyard Maiora, its lines are modern, elegant and attractive. Refurbished in 2018, it has state-of-the-art technology and the latest in automation systems. LEX has the capacity to accommodate up to 10 persons in 4 double cabins (2 junior suites and 2 double cabins with extra pullman). All have en-suite bathrooms and are equipped with satellite TV and DVD players. The yacht offers its guests high-speed WiFi and a top-quality sound system, made up of Bose equipment and wireless audio systems throughout the vessel common areas. In the summer, LEX has its base port in Ibiza, although it is

available in the whole of the Balearics, as well as other destinations upon request. Compared to other yachts of the same length, LEX stands out for its modern design, its technology, the attention to detail and elegance of its interior design and the extensive flybridge outside, characteristic of boats of much greater size.

LEX has a fantastic professional crew of three: a captain, a chef, and a hostess. All have been trained to satisfy even the most demanding customer needs with a smile. This is why LEX is the best choice for enjoying an absolutely unique and unforgettable holiday. Visit her website at www.lexyacht.com for more information.
