Enjoy is a wonderful yacht launched by Raphael shipyard, built in 2012 and registered in 2016. This Marco Polo 78 model boasts large spaces and a modern interior design of smooth and elegant lines and colors. The sunny hall welcomes the guests. It features a big sofa with a dining table to enjoy your meals indoor. An audio Bose device to connect smartphones and tables completes the equipment.

Nine beds are divided into 4 cabins. The big Master suite boasts a king size bed, a closet and a large bathroom. The VIP at the bow has a queen size bed and bathroom. Two more cabins feature single bed, one has three beds, and a bathroom each.

The outdoor spaces are Enjoy's strong point. At the bow is a spacious sundeck for four and a large sofa. The flybridge features a big sundeck for five guests and a sofa with an expandable table. The cockpit at the stern features a large table and a sofa. The big bridge holds the tender during navigation, and can work as a comfortable tanning area.

The yacht boasts a 3.2 meters tender with a 15HP outboard, one donut, a banana, and snorkeling equipment. Enjoy's crew is composed by three elements. It is anchored at Riposo (Catania), close to Taormina and a mere 2.5 hour navigation from the Aeolian archipelago. The yacht can be moved to any other port of the Western Mediterranean upon request.
