Built by Italian Vismara Marine, masters of fast and sleek-looking performance cruisers, and in mint condition thanks to her 2018 refit, Miyabi is the ultimate yacht for your next sailing adventure. Miyabi is certainly a yacht that stands out from the rest. Not only because of her clean lines and shiny carbon-composite hull but also because of her glass skylight which floods the yacht's interior with natural light. The added attraction is Miyabi's telescopic lifting keel which significantly reduces her draft when the keel is fully up. This means that you'll have no problems dropping anchor in secret coves or

discovering uninhabited little islands, which is a great thing when there's so much that the wondrous Balearic Islands have to offer.
