Luxury MY R23 is a fantastic 49 meters AMTEC motor yacht built in 2002. She had an extensive radical refit in 2016 maximizing and improving her in every way from the guest space inside and out, to a new deck and lounge with attention to countless features and improvements.

Open up to the beautiful contemporary interior design by Salvagni Architetti. Exclusive details and artwork along with designer fabrics and furnishings fill her spacious modern rooms.

Do you want to host an event? She can hold up to 100 guests at the quay. She has 6 cabins for 12 guests for family or friends and the possibilities are many.

She is the ideal yacht to discover the Balearic Islands as she holds the Spanish charter license. The salon has immense windows and mirrors looking out into the deep blue of the sea and by night it transforms into a TV lounge that James Bond would envy.

BEACH HOUSE NIGHT

An aerial photograph of a white three-deck motor yacht, the Moncada MY R23, sailing on the ocean at dusk. The yacht is illuminated from within, showing a well-furnished interior with wooden flooring and modern decor. The upper decks feature outdoor seating areas with cushions and tables. A large black canopy covers part of the upper deck. The yacht has a sleek, modern design with a white hull and a dark stripe along the waterline. The Italian flag is visible at the stern. The water is dark blue with some whitecaps, and the sky is a deep twilight blue.
